

## Coaching Staff

The Lady Eagles Junior Academy Staff is made up of college coaches and current and former Boston College women's soccer players. The staff are not only great coaches and counselors, but act as wonderful role models for the participants. Our staff aim to improve the skill of each player while providing a great soccer experience.

There will be a fully qualified athletic trainer on site for each program.

**The**

**Bubble at Boston College**

"This state-of-the-art facility benefits all of the Boston College athletic programs. It has taken us to the next level in collegiate athletics," -- **BC Athletic Director Gene DeFilippo.**

The Bubble is an ideal location for a soccer clinic in the winter, the surface is a high quality field turf. Special features of the Bubble include a wind sensor, which stabilizes the Bubble frame when there are high wind gusts, and a snow sensor, which automatically raises the temperature on the exterior of the Bubble, melting the snow.
